

Personal Health Spending Account (PHSA)

This is a reminder to all teachers that their Personal Health Spending Account (PHSA) credits/money from the 2008/2009 school year will expire on August 31, 2010. If teachers have any money left, they need to spend it before Tuesday or it will revert back to the School District. Receipts do not have to be sent in until 90 days after August 31 but must be dated no later than the end of August.
